Folks,

Attached is the "final" scoresheet prepared by our documentation unit and reflective of scores that were received by the EOC Tuesday, June 1 COB.

There are three worksheets:

(1) **Master Score Sheet-Marsh:** This sheet is sorted by "average score" and the top ten are within the range of 11.5 - 19.2. The project IDs highlighted in yellow reflect NOAA's top picks that they recommend vetting through the Houma Alternative Group. We received 13 sets of responses.

(2) **Master Score Sheet-Containment:** This sheet is not sorted due to the limited number of responses. We received two sets of responses.

(3) **Checklist:** This sheet is to keep track of who submitted scores.

We can continue to update as warranted.
